- Dr. Mihir Kumar Mallick is a Professor of Social Sciences and currently serving as Acting Head of the Department of Education & Training. He holds a PhD from University of Delhi as well as Master's Degrees in Psychology, Environmental Education, and Education. Additionally, he has earned a Post Graduate Diploma in Environmental Education, an Advanced Diploma in Special Education, and a Certificate in Guidance from IGNOU.
- For the past three decades, Prof. Mallick has dedicated himself to the pursuit of education, training, and research. Throughout his career, he has imparted knowledge to both undergraduate and postgraduate students while also spearheading numerous in-service training programs aimed at enhancing the expertise of healthcare professionals and individuals from diverse backgrounds. He has also organized months long Induction training programs for the newly appointed General Duty Medical Officers (GDMOs) serving under the central health services.
- Professor Mallick has provided research guidance to eight doctoral candidates, nineteen Master of Philosophy students, and approximately thirty Master's level students. Furthermore, he has also offered research guidance to numerous summer interns. His research interests encompass Health System Management, Health Psychology, Environmental Health, Mental Health, Pedagogy of Teaching/Training, and Testing & Standardization.
- In addition to his teaching and research activities, Prof. Mallick has authored two books, with one consisting of three volumes as well as five book chapters and many research articles that have been published in respected national and international journals. He has also served as an editor of two International Journals, two National Level Journals and has developed **three standardized Psychological Tests**.
- Prof. Mallick has extensive experience of organizing international conferences by serving as both Organizing Secretary and a member of the organizing committee. Besides, he has delivered invited speeches and served as chief guest at numerous international and national seminars, workshops, and conferences. **Prof. Mallick has also experience of managing several significant administrative roles.**
