Important instructions:

- The tentative starting month and duration will be as per the preferences indicated during the application stage and are subject to availability and confirmation by the competent authority.
- The internship shall be undertaken in compliance with applicable NTAGI-NIHFW internship guidelines.
- Selected candidates will be informed separately regarding the reporting date and joining formalities.
- Obtain prior permission before accessing any restricted records, databases or other confidential material.
- Submit the prescribed internship report/certificate-related documents to the NTAGI Secretariat at the completion of the internship.
- Any publication out of the Internship has to be approved by the Internship supervisor.
- Selection for the internship does not confer any right to employment or engagement with NIHFW or the NTAGI Secretariat.

This is issued with the approval of the competent authority.
